

L64 CUSTOM DECODEYE PROGRAM

Are you running a tournament or do you need some custom discs for your local disc golf club or company? Latitude 64° can DecoDye your design on disc golf discs. See below for order details, art specifications, and minimum order requirements.

Send your art and completed custom DecoDye order form to jonas@latitude64.se.

You're important to us so we always try to deliver the order as fast as we can. A normal custom order will be shipped within 10 working days from the order date. If you need it faster than that, we have to charge an Express fee of €55.

DECODEYE ORDER REQUIREMENTS

- 20 piece minimum (discs or minis, not a combination of both)
- 10 disc minimum per mold

ART SPECIFICATIONS DECODEYE

- HQ image or vector artwork, at least 200dpi
- Images can be both CMYK and RGB, and we can't print white or specified Pantone colors.
- If you don't have a design for your event, we have an excellent graphic designer who will come up with a design based on your recommendations for €55/hour.
- All designs will be centered unless otherwise specified.
